Victoria Place
Day Nursery and After School Club

We have had great fun in Little Stars, being very creative, exploring our new fire engine. We have also visited our local garden centre and parks.

Rolling cars & making shakers

Little Explorers have been finding ways to move objects by using a ramp & guttering.

We have been exploring sound by creating shakers & exploring funny foam for a sensory

Painting Fun!

Our creative Little Learners have been exploring mark making in a variety of ways using hand prints, a variety of sponges and painting large ice

Dates for your Diary!
