

# March 2026 Newsletter

Celebrating World Book Day, capturing lovely moments where our families shared books they read at home with their children. Reading to our classroom and friends.

# WORLD BOOK DAY

5 MARCH 2026

# Mother's Day Tea

We were delighted to welcome our families to the nursery for a very special Mother's Day Tea. It was a wonderful opportunity for children to spend some quality time with their mums and special family members in a warm and relaxed setting.

Events like this are a lovely way for us to bring our nursery community together, and it was heartwarming to see the children sharing such a meaningful experience with the people who are so important to them.
